

Lemon Grove School District 2020-2021

Student LAST Name	Student FIRST Name	School Site	Grade

Important Notice about School-to-Home Communications

The Lemon Grove School District uses an automated system to communicate with families of our students. The automated system is used to communicate regarding emergencies as well as general messages regarding school and community events.

1) Emergency Calls Autodialed calls will be made in the event of the following situations occurring. These would be for the most important, time-critical kinds of events such as incidents affecting the health and safety of students and faculty. This also includes calls related to school closure due to weather, incidents of threats and/or imminent danger to the school due to fire, dangerous persons, and school lockdowns.

In addition, Attendance Alert calls will also be made to student's home to report unexcused absences.

*Please note, Prior consent from the family is not required in order to receive these calls classified as "Emergency".

2) Non-Emergency Calls are those that generally include information about parent conferences, surveys and numerous school activities, inclusive of community information such as Little League sign-ups or city-sponsored events, such as movie nights.

1) EMERGENCY CALLS
Please check your preferred method of school-to-home communication:
Father/Guardian
