Parent Teacher Conference: Parents

Parent-Teacher conferences—Yanira asked if anyone had anything to share. Mr. Gonzalez asked how fast we move on SSTs, is there a way that we can help students sooner? Principals shared that intervention happens at any time and not necessarily as a result of the SST (Student Study Test). The SST is to get everyone on the same page and see if the students are responding. Also, explained that intervention is not necessarily a program. It can be differentiation. Mr. Malcom shared Sound Partner and Fast Forward intervention programs. Each site and each teacher have other interventions.

Question regarding district tutoring—Mr. Malcom stated that law changed regarding funding for tutoring for schools in program improvement. Three schools will have funding for tutoring options (Mount Vernon, San Miguel and Vista La Mesa).

Yanira—shared concern about reading progress for younger students.

Annual Letter with CELDT Test Results: Laurie Fulton

CELDT –Laurie shared how to read the CELDT assessment report. Mr. Gonzalez asked about “how do you help students for each level”. Norma Sandoval recommended reading at home. Discussion followed.

Six grade camp presentation: Saul Gonzalez

6th Grade Camp—Mr. Gonzalez presented information on 6th grade camp. Cost is \$350/student all inclusive. Mr. Gonzalez is encouraging parents to provide input into LCAP to get support from district and schools.
