Single Plan for Student Achievement

What is the SPSA?

The Single Plan for Student Achievement (SPSA) is **a document that represents each school's plan for continuous improvement of student achievement**. Each year, all school sites in LGSD go through the process of developing, reviewing, and updating this document. Updates to the document are made based on data so that we are able to create a plan of actions to take in order to meet site specific school goals.

Site Goals

This year, all sites in LGSD have created goals that focus on the following...

Goal 1: Fostering Student and Staff Growth, Leadership and Achievement

Goal 2: Fostering School Community and Connectedness

Goal 3: Fostering Operational Systems that Support Effective Schools
