

# School Facilities

**New Smart Boards are amazing!!**

**Flexible seating**

Students say bathrooms are disgusting. Old rusting, pipes dripping.

new chairs and tables yay

Campus looks nicer with new outdoor areas and plants.

**Love the murals**

The murals at the school are super duper amazing! The students did an amazing job. They should feel so proud!

Parent Volunteer Rooms great, but not yet used.

**Water filling stations**

**Water filling stations?**

**Solar ev?**

**More shaded areas for students**

Have opportunities for VA students to come to campus (social event) in person & virtual opportunities

# Technology

Viewsonics are amazing!

WiFi units for families

Emphasis on STEAM across campuses

Please don't do away with Zoom meetings for parents. It helps more people stay involved.

Wonder about too much technology - How do we balance that?

New chromebooks are great. Look forward to home devices!

We are all more skilled in using technology (students & staff)

Technology department responds soooo much faster than in past years.

Technology staff extremely helpful

# Food Services

Healthy options - fruit & veggies - as much as they want

My kids love seeing the online menu. We love sending them.

I love the fresh food!

Latecomers sometimes have issues getting breakfast.

More inclusive meals (vegetarian)

Kids like the new healthy options!!

Meals for everyone! Breakfast & lunch

A little less sugar in the morning would be nice.

Options for pick up?

My son eats more variety at home because he is eating more variety at school!

Are we continuing take home distribution in the summer?
