iReady Diagnostic in December

(Window open Dec. 2 to Dec. 20)

What is a diagnostic?

An assessment that tells us our students' strengths and growth areas.

Why do they take it?

- It will help us celebrate and measure their growth!
- Helps them, their teachers, and families figure out what they already know and what they still need to work on.
- It gives them online practice for their specific goals.

Recommendation: students do iReady My Path for 15 - 30 mins each day
